Extended Day Program Pre-Camp & After-Camp Options (ages 6-14)

Offered as a service to working parents who have children enrolled at Camp Middlesex, the Pre-Camp and After-Camp options are a safe and affordable way to extend your child's camp experience. Supervised activities include arts and crafts, board games, movies and more! In the morning your child will be escorted from pre-camp to their camp program. In the afternoon, they will be escorted from their camp program to after-camp. Our program is flexible. Choose pre-camp, after-camp or both to meet your needs.

PRE-CAMP AND AFTER-CAMP POLICIES

- Children must be picked up by 6:00 p.m. or you will be charged a late penalty of \$25.00 per half hour.
- Registration is on a weekly basis only.
- No tuition waivers or discounts will be accepted.

Theater Camp

Eight-weeks of summer fun for kids and teens entering First Grade - 14 years old.

Half-Day Theater Camp/8:30 a.m.-1:00 p.m.

Full-Day Theater Camp/8:30 a.m.-5:00 p.m.

Due to popular demand, this national award-winning program will continue to run for eight weeks! During the first six weeks, campers will produce elaborate musical productions **each week**. Roles are provided for all campers. Campers rehearse from 9 a.m. to 12 noon, Monday through Thursday and perform their musical productions twice every Friday morning on the Main Stage of the MCC Performing Arts Center. Swimming, outdoor games and Tribal War (last week only) are included.

Tech Option

(Available Sessions I, II & III)

(7th, 8th & 9th graders)

Campers who are in 7th, 8th, or 9th grades may choose to participate in the Tech Option, instead of rehearsing for performances. From 9 a.m.-12 noon, Tech campers will build sets, paint scenery, sew and design costumes and organize props. During performances, Tech campers will function as the stage crew, making sure that sets, props and costumes are in place. This is an option that requires maturity and the ability to follow direction.

Teen Scenes Option

(Available Sessions I & II only)

(8th & 9th graders)

Eight and ninth graders will have the opportunity to work with other teens to prepare a special teen production! The show may consist of monologues, scenes and songs that will feature each and every talented teen who wishes to participate. At the end of each 3-week session, parents, community members and the rest of Theater Camp will be invited to attend your show. During each of the traditional Friday performances, teens will act as ushers and theater managers, giving them the opportunity to develop new skills. We expect all teens who participate in this special program to adhere to the program's rules and be ready to work each and every day.

Broadway on Wednesday!

(Session III only)

Session III provides full-day campers - some for the very first time - the opportunity to experience the magic of seeing a professional Broadway show. Theater Campers will take a field trip on the second Wednesday of Session Three to see a show. Whatever the location, campers will enjoy the thrill of watching a live professional performance. Possible shows are Xanadu, Little Mermaid & Curtains.

Fantastic Fridays

Fridays are Fantastic at Theater Camp! First, children perform for an audience of over 900 people. After lunch and a quick dip in the pool, there's a party followed by a special event such as Carnival Day, Counselor Camper Look Alike Day, Rock Star Day and the Summer Prom. It all adds up to excitement! Cast parties, complete with current music and lights, contests with fabulous prizes and group dances are the perfect way to cap off the week's activities.

Counselors In Training (CIT) Program (age 15 only)

Mandatory: CIT's must register for a minimum of 2 sessions.

Are you interested in enhancing your college application, earning recommendations from camp directors and adding to your job hunting resume while continuing to experience the joy of theater and increasing your chances for future Theater Camp employment? If you answered "yes" to one or more of these questions, this is the place for you! CIT's will be expected to assist counselors and be responsible for a variety of tasks such as directing a song or scene, choreographing a dance number and distributing papers. CIT's are expected to remain for the full day, every day of the session for which they register.

Requirements: Admission is by application only. Please call 732.422.7071 for application. Selected applicants will be invited to interview for the program.

A Calendar Of Holiday Cooking (ages 7-14)

Campers are going to pack a whole year of holiday cooking into 1 week! Holidays we celebrate here in the US and some from far, far away. From Christmas cookies to Chinese noodles, we'll be cooking and "taste testing" different holiday traditions along with some new recipes to start traditions of our own. As an added feature, campers will learn a little history and culture from the countries we visit on our culinary journey. Everyone will take home a class cookbook filled with great recipes! Please bring an apron, dishtowel and 5 plastic food containers to class.

Basketball campers are responsible for their own lunches, either brought from home (no refrigeration provided) or purchased in the College cafeteria.

Soccer (ages 9-16)

The Middlesex County College Soccer Camp gives participants a chance to learn the basics of the fastest growing sport in the United States. Camp focuses on individual instruction in all fundamental areas. The program provides the opportunity to improve in physical fitness, individual skills with the ball and team play. Good habits of play are established through emphasis on the intricate movements necessary for ball control. It is this reinforcement of the basics that make a well-rounded soccer player. In small group practice, the task of ball control is repeated and corrected by the supervising coaches. Sessions continue with short-sided games and conclude with scrimmages.
